Chief Burton,

For the past four years the White Oak Police Department has been coordinating a charity event known as "Tips for Cops". Officers from numerous Police Departments volunteer their time and serve as waiters and waitresses at a local restaurant donating all of the tips to the White Oak Food Pantry at Sampsons Mills. This Food Pantry serves needy families throughout the Mon Valley. This year we were able to raise \$6,651.26 for the White Oak Food Pantry.

On behalf of the White Oak Police Department and Mayor Ina Marton, I would like to acknowledge Officers Lindsey Bigger and Jason Bonace for volunteering their time at "Tips for Cops" on Monday, February 29, 2016. We all have very busy professional and personal lives these days, so it speaks volumes about the character of each of these Officers. The White Oak Police Department greatly appreciates their participation.

Thank You,

Louis Bender
